Invitation Letter to Review

ICIECE-2018 is an Annual, peer-reviewed, 7th International Conference, Organizing by the Department of Electronics and Communication Engineering, on Innovations in Electronics and Communication Engineering during 27th & 28th July, 2018. It addresses mainly to young researchers and also to other specialists in adjacent fields of research that focus their attention on general and particular issues related to Electronics and Communication Engineering.

Having the high level of knowledge in your specialization/research field the Editorial Team of ICIECE-2018 is inviting you to become a Reviewer for our Conference, We request you to participate in the reviewing process and make recommendations whether a manuscript is suitable for publishing/modify/declined.

The editorial board of the ICIECE-2018 would like to express its gratitude for your contribution to our International Conference.

Please confirm below whether you are willing to become part of our team of reviewers.

Thank you for your consideration.

☐ I agree to become reviewer of ICIECE-2018

☐ I do not agree to become reviewer of ICIECE-2018

Field of expertise (subject area): please check the boxes of the subjects you would like to review

- | | | |
|--|--|---|
| ☐ Mobile Computing | ☐ Knowledge Management and Networks | ☐ Human-Computer Interaction |
| ☐ Wireless Networks | ☐ Multi-Agent Systems | ☐ Intelligent E-Learning Systems |
| ☐ Optical Computing | ☐ Membrane Computing | ☐ Compressed Sensing |
| ☐ Embedded Systems | ☐ Cellular Computing | ☐ Intelligent Video & Image Processing |
| ☐ VLSI Technology | ☐ Artificial Intelligence | ☐ Computational Nanotechnology |
| ☐ Signal and Image Processing | ☐ Web Intelligence and Computing | ☐ Fuzzy Computing |
| ☐ Wireless Protocols and Architectures | ☐ Internet Security | ☐ Sensor Networks |
| ☐ Ubiquitous Intelligence and Computing | | ☐ others |
| ☐ Pattern Recognition | | |

For Details please visit <http://www.iciece2018.org>

Publication:

All accepted and registered papers under ICIECE-2018 conference will be,

- Conference proceedings will be published in Springer proceedings
- Other peer reviewed papers will be published in the special issue of “International Journal of Innovations in Electronics and Communication Engineering (IJIECE)” with ISSN: 2249-9946 (www.innovationjournals.com) in Volume No. 8 & Issue No. 1& 2.

Prof R.K Singh
Co-Chair, ICIECE
Associate Director, GNITC
